Development Department,

Sir,

Subject: Buildings - District Forest Officer's quarters - Mangalore - excess expenditure sanction solicited.

(W)

In their order No. 386 Development dated 19-3-26 the Government sanctioned the construction of quarters for two District Forest Officers at Mangalore at an estimated cost of 37,200. The work was started in December 1926 and completed in March 1928. The completion report showing an expenditure of Rs 37,171-12-2 was forwarded to the Accountant General and on return from him was filed in the Chief Forest Engineer's Office with the connected papers in January 1929.

2. The Chief Forest Engineer now reports that owing to a mistake, an advance of Rs 250 recovered from a contractor was wrongly credited to the work and taken in reduction of the expenditure when the completion report was originally prepared. As the correction of the mistake raised the expenditure on the work to Rs 37,421-12-2 i.e. by Rs 221-12-2 over the sanctioned estimate, the Accountant General requires a revised completion report as well as for the sanction of the Government for the excess expenditure. The revised completion report is being forwarded to the Accountant General. It is requested that in the circumstances

circumstances explained above, the Government will be pleased to accord sanction for the excess expenditure of Rs 221-12-2.
